Dear Mr Chan,

Freeze of Pensions in 2021-22

I write to inform you that pensions will be frozen at their existing levels in 2021-22 and seek your assistance in passing on the message to your members for their information.

The annual average monthly Consumer Price Index (A) in 2020-21 is lower than that of the preceding year by 0.1%. Therefore, in accordance with the pension increase mechanism, pensions will be frozen at their existing levels in 2021-22. The Director of Accounting Services will notify the relevant pensioners and relevant dependants that pensions will be frozen at their existing levels in 2021-22.

Thank you very much for your attention.

Yours sincerely,

(Ms Shirley Ho)
for Secretary for the Civil Service
